

UNITED STATES DISTRICT COURT  
MIDDLE DISTRICT OF TENNESSEE  
NORTHEASTERN DIVISION

GLENNON O. WIX,  
Plaintiff,

v.

JERRY & OPAL WALKER, ET AL.,  
Defendants.

No. 2 08 0079  
(No. 2:08mc0004)  
Judge Echols

**ORDER**

The Court has before it a *pro se* complaint filed by a resident of Westmoreland, Tennessee. The plaintiff also has submitted an application to proceed *in forma pauperis*.

It appears from his application that the plaintiff lacks sufficient financial resources to pay the filing fee. Therefore, the Clerk will **FILE** the complaint *in forma pauperis*. 28 U.S.C. § 1915(a). However, process shall **NOT** issue.

As reasoned in the memorandum entered contemporaneously herewith, this action is **DISMISSED** for want of jurisdiction and frivolity. Because an appeal from the judgment rendered herein would **NOT** be taken in good faith, the plaintiff is **NOT** certified to pursue an appeal from this judgment *in forma pauperis*. 28 U.S.C. § 1915(a)(3).

Entry of this Order shall constitute the judgment in this action.

It is so **ORDERED**.

Robert L. Echols  
United States District Judge
